PRETORIA — The following situation report has been received from the police public relations division for the period ending 8pm yesterday.

A In **Soweto** (WWR), a delivery vehicle was damaged by arsonists. Three buses were stolen and driven into the walls of buildings, including a beerhall, where a large amount of liquor was stolen. At the Bona Secondary School, 23 black pupils were arrested after they demanded that teachers withdraw. In a second incident, about 50 blacks stoned a delivery van. Police fired rubber bullets and teargas and one black youth was arrested

B In **Katlehong** about 60 blacks armed armed with pangas and knives surrounded the house of a local councillor, a Mr Khumalo. The guard fired shots which resulted in a minor injury to one black man. Five black men were arrested.

C At **Crown Mines**, about 80 blacks stoned a delivery vehicle and set fire to the furniture in it. One black man was arrested

D At **Mamelodi**, near Pretoria, private and police vehicles were stoned Stone-throwers were dispersed with pistol fire.

A black man was wounded and arrested.

E At **Buffalo Flats**, near East London, five petrol bombs were thrown at a private home. A black woman was slightly injured. During the same incident, a young boy ran out of the house and was assaulted and seriously injured. At **Parkside**, a coloured residential area near East London, two coloured men were arrested for barricading roads.

F At **New Brighton**, a school classroom was damaged by arsonists. At **Zwide**, the partially burnt body of a black man was found Police are investigating a charge of murder.

G A school was damaged by arsonists at **Selsoville** near Kroonstad.

H In the **Queenstown** black residential area, a black policeman was injured when the vehicle he was travelling in was petrol-bombed. In the same area, the home of a development board official was stoned. He fired on the attackers, fatally wounding a black man.

I In **Riversdale**, at the Riversdale Secondary School, coloureds, 15 pupils were arrested for public v
