

DID YOU KNOW THAT:

1. TASA President Pat Samuels requested and was granted audience with Kessie Ramduth, a side-kick of Rajbansi? The meeting was given the grand name of "familiarisation discussions." Samuels who just the other day would not even recognise Rajbansi's existence now has had to do a spot of knee bending which is what "familiarisation discussions" are all about.
2. Donald Anderson, the politically shady shadow Foreign Minister of the "most disgraceful Labour Party in the world" i.e. the British Labour Party, after being garlanded and stuffed with curry and rice in Pietermaritzburg decided to round off his political meal by having coffee with fellow disgraceful Labourite, Reverend Allan Hendrickse? According to Anderson, he had a "civilised discussion" with Hendrickse. Cor Blimey! A civilised Sellout! What next will THEY think of?
3. Patron Allan Boesak has invited U S Presidential Drop out Candidate, Edward Kennedy, to be his guest in S.A.? Clearly the Patron has not heard of U.S. Imperialism and its crimes against humanity?
