BAHLANGANA
UKWAPHULA
AMANDLA
ONGXOWANKU-
LU

Izithonywa
zaseMazantsi e
Afrika ze Southem
Africa Miners
Federation (SAMF)
zizokudibana
nabaphathi
bamashishini kwi
Afrika eseMazantsi
kuzokuxoxwa nge-
meko zokusebenza
nokwakhiwa ngokutsha
ngomhla we 30
October - 1
November 1992.

Kuye kwabekwa iliso kwezi nkampani
zilandelayo i De Beers, Anglo American
Corporation, Lonrho kunya Rio Tinto
Zinc. Kwenye inkubela ebalulekileyo kwi
SAMF sisigqibso sokuba kwandiswe iphu-
lo lamalungele abasebenzi kwinqila ya
Mazantsi e Afrika iphele. Iziphakamiso
zeli phulo kunya nokwakhiwa ngokutsha
kwimizimveliso yemigodi kuzokunika
ikomishina yemisebenzi nezombiwa ye
South African Development Community
(SADC). I Nkomfa ithathe izindululo
ezibalulekileyo ekubonakala ukuba zin-
gatshintsha uhlolo lentsebenziswanu
entle kule nqila. Ngaphantsi kwestiok
esithi - Imfuneke yotshintsho - inkomfa
ithathe izindululo ezimandla kakulu ezi-
zokujongana neengxaki zabasebenzi mgod-
ini kule nqila. Ekuphuguleni amandla
ongxowankulu, inkomfa igqibe ngokuthi:

* Kunyuswe ukwakhiwa kwenkampani
zemayim zalapha kwezi. Kuze elilinge libe
yimpumelelo, kubaluleke kakhulu ukuba
urhulumente kunya nezinye intlangano
zifake isandla ekukhuliseni inkampani
zeli nabantu beli. Lento ingoba ngendlela
zokuboleka imali, oomashint nangezinye
indela ezohlukeneyo.

* Kungenwe kwiphulo eliqinileyo loku-
funa amazwe angengawo amalungu e
SAMF azibandakanye nayo. Yaye
kubalulekileyo ukuba le mibutho ingekabi
ngamalungu e SAMF sisebenzisane nayo,
futhi zisebenze kakhulu kwiphulo loko-
joyimsa abasebenzi kwindawo abakuso.
Lento izokubanika amandla okuba
bathathe inxaxheba ebalulekileyo kwaye
babenagalelo kwi SAMF.

Ekulweni imivuza ephantse kunya
noblalo lomhlala phantsi enganelisiyo
abasebenzi mgodini bagqibe ngokuthi:

* Kubangwe imivuza efanayo kunya
nomphako womhlala phantsi yabasebenzi
mgodini kule nqila.

* Kusekwe umbutho odibanisa yonke
imibutho engaphantsi kwe SAMF kuhel-
we imivuza ephilisayo ezokuthi igcine
isantya silingana nezinga lokunyuka kwa-
mandl' emali.

SAMF President Comrade James Motlati

* Kusekwe iziko
apho kuyokuthi
kunikezwane ngol-
wazi kwimibutho
ye SAMF yonke.

Kwempi
nokhuseleko inkom-
fa igqibe ngokuthi:

* Kuphuny' iphu-
lo lokusekwa
kweekomiti ezizoba
nesandla kwi mpilo
nokhuseleko.

* Kuphuny' iphu-
lo kube namalanga
ezikhumbuzo empi-
lo nokhuseleko.

* Kwenziwe
ipholo lokuba
kubekho uluhlu lok-
wenza abantu babe-
nolwazi ngistlo
ugawulayo (Aids)
kwaye kutundiswe
nabasebenzi indlela
yokusilwa.

* Kwenziwe
ipholp lokuba
kuvezwe isibalo
esiphambili sengoz
kuyo yonke lenqila. Lento inokwenziwa
ngokuseka iziko iwenewadi eligcina
okuhlangene neegozi. Indlela vakuseben-
za kweembacu ibe phantsi kohlaselo
olukhulu yaza inkomfa yagqiba ngokuthi.

* Kokhankaselwe
ukwakhiwa
kwemigomo yokunikezelana ngabaseben-
zi ekuzakuthi kuxhamle abantu bomqu-
ba kunya nabasebenzi.

* Kutshatalisalwe ihostela kuze
kwakhiwe izindlu ezelungele abantu
neentsapho zabo.

Ucalucalulo lwabantu ngokobuhlanga
luphawulwe njengayonanto
esaghubekayo kwimizimveliso yemigodi.
Inkomfa igqibe ngokuthi:

* Kwenziwe ipholo lokuphelisa onke
amasolotya ati asetyenziswe ukughubela
phambili ucalucalulo jikelele

* Imivuza elinganayo ngemisebenzi
efanavi.

* Kwenziwe ipholo lokuphelisa ucalu-
calulo emisebenzimi.

Kuphawulwe ukuba ucalucalulo lusen-
zeka e Mzantsi Afrika, kwaye kuyothi
kubenzim uku kuhindwe kwahlule-
wane ngobutyebi kodwa abathile
abamhlophe basuloko bedla bodwa
belungisela iitsapho zabo.

Inkomfa ichazile ngobutyebi bezombi-
wa benqila kwaye yathatha istindululo
sokuzimisa kwe SAMF ekuqinisekiseni
ukuba bonke abantu benqila bayabelana
ngobu butyebi. Ukuqeyenziswa kwezom-
biwa kufanele kuchaphazole imizimveliso
yomquba kunya norhulumente.
Ngokuhubeka komgaqo wokuqeleshwa
ikomiti lomama izokusekwa ngenxaso
ye SAMF. Izithonywa ebezizimase inkom-
fa bezivela e Mozambique, Zimbabwe,
Zambia, Namibia, Swaziland, Botswana
kunya noMzantsi Afrika ebebemele
abasebenzi mgodini abangaphezu kwe
700 000. Intetho yokuvula iwiswe ngu-
mongameli we SAMF, Comrade James
Motlati okwangu mongameli we NUM
eMzantsi Afrika.

I NUM IMISELE INGXABANO NE GENGOLD
NGOMBA WOKWABELANA NGEMVELISO

I NUM imisele ingxabano nemigodi ye
Gengold nanjengoba isaziwa into yokuba i
Gengold ayiphumelelanga ukubeka uhle-
lo Iwokwabelana ngemveliso ngok-
wanelisayo. I NUM izokudibana ne
Gengold kwibhodi yoxolelaniso (Conciliation board), eyasekwa
ngaphantsi komthetho wonxiblelwano
labasebenzi (Labour Relations Act), ngen-
zame zokusombulula ingxabano. I
Gengold ayiyamkeli into yokuba kuban-
jwe intlanganiso nyanga zonke kuyo
yonke imigodi kuhlolwa uhlelo lwlabel-
wano Iwemveliso. Ukuqinisa kwa-
malungu ngokuvunyelwa kulwazi yey-
onanto ibalulekileyo kuhlelo
Iwokwabelana ngemveliso ukwaheth-
thwana ngayo yi NUM kwaye ukuban-
jwe kwentlanganiso rhoqo kubalulekile
Ukwala kwe Gengold ukuvumela iint-
langaniso ngenyanga kubonakalisa ukuba
imigodi ye Gengold ayizimisela uku-
phulisa ngokubanzi isivumelwano sok-
wabelana ngemveliso esasayinwa ne
Chamber of Mines ukunyusa unxiblelwano
lokuhlangabeza nesimo esikwi
mizimveliso yemigodi. I NUM ikholelwano
kwinto yokuba ukuhlanganswa kwakwa-
belana ngemveliso kunye nokunyusa
kancinci kwemivuzo ekwakuthethwene
ngako ngo Julayi yindlela elula ekuokou-
jungwana nesimo soqoqnsko kwimiz-
imveliso. Lonke olunye ulwabelwano
Iwemveliso kuthethathethwano ne Anglo
American Corporation kunya ne Rand
Mines lusetyenziswa kuzo zonke inkom-
pani, kubo bonke abasebenzi ngaphandle
kocalucalulo lobuhlanga okanye ibala. I
Gengold isahleli kola hlobo localucalulo
ngokulungiswa kwimivuzo isiko chidala
lemizimveliso yemigodi ngokhuphela
ngaphandle abasebenzi abamhlophe kuh-
lelo Iwokwabelana ngemveliso. Inikeze
iminye imibutho yabamhlophe kunye
nowamagosa emibutho umongezelelo we
1.5 pesenti yokunyusa imivuza endaweni
yokwabelana ngemveliso. I Gengold

ayiyamkeli into yokuba ifakele ngoku-
nayo nakubasebenzi abamnyama abakwi
NUM. I NUM ibanga ukuba kufakelwe
ngokufanayo nokubasebenzi abamnyama.
I Gengold inikeze ogonyuso Iwemivuzo
oluncinci ngakwamarandi kubasebenzi
abakwinganaba eliphantsi ku 1992 kuno
1991. I NUM yasivuma isiphakamiso esen-
ziwa yi Gengold kwi Chamber, ngaphan-
dle kokuba kuzokubakho ulwabelwano
lemveliso. Le 1.5 pesenti yokunyusa
kwemivuzo kubasebenzi abanamava
ithetha into yokuba yi R60 ukuya ku R70
kubo ngenyanya, kodwa yi R7 ukuya ku
R21 kumalungu e NUM. Umbutho uya-
hambisana nento yokuba xa kuhthalwa
imali yokwabelana ngemveliso, i 1.5
pesenti yonyuso itsalwe phambi kokuba
ibhatalwe. I NUM ibanga ukuba
kuvumeleke i 1.4 pesenti yokunyusa
kwemivuzo kubo bonke abasebenzi
ngokulinganayo nabasebenzi
abamhlophe, ifuna kugqityezelwe uhlelo
Iwokwabelana ngemveliso ekwenzela
kulungiswe unyuso Iwemivuzo kakuhle
kubobonke abasebenzi, omnyama
nomhlophe. I Gengold ayisamkelanga
esisiphakamiso iwele ngokuthumela unyu-
so Iwayo lokugqibela kwi NUM elingayi-
fakanga i 1.5 pesenti.

Ingxabano ichaphazela abasebenzi
abayo 25 000 nezimayini zilandelayo:

* Beatrix Mines (Pty) Ltd * Braken Gold
Mines Ltd * Buffelsfontein Gold Mine *
Grootvlei Gold Mine * Kinross Gold Mines
Ltd * Leslie Gold Mine * Marievale
Consolidated Gold Mine * St Helena Gold
Mine * Stilfontein Gold Mine * Unisel Gold
Mine * Winkelhaak Gold Mines Ltd. I
NUM igqibizele ngempumelelo isivumel-
wano sokwabelana ngemveliso nemigodi
ye Anglo American ne Rand Mines. I
Gengold ngoku yiye yodwa eshiyekileyo
engekawusezekisi ukulungiswa
Iwemivuzo kunye neemeko zokusebenza
ekwavunyelwana ngazu yi NUM kunya
ne alamber of Mines.

Isisombululo sokwabelano
ngemveliso kwimigodi ye AAC

I Freegold, Vaal Reefs, Western Deep Levels kunya ne Elandsrand zifikelele
isigqibenai ne National Union of Mineworkers, Council of Mining Unions kunya ne
Mine Surface Officials Association of South Africa ngomba wokwabelana ngemveliso.
Uthethathethwano ngoluhlelo luyingxalenye yokulungiswa komvuzo ekwafikelelwano
kuyo phakathi kwe AAC's Gold, Uranium Division kunya nemibutho yabasebenzi
emithathu kuthethathethwano lomvuzo kumzimveliso. Malunga noluhlelo, inkom-
pani nganye izokubeka ecaleni amapesenti amahlanu (5%) ekuzokwabelwa abaseben-
zi, ukunyuka kwezinga lemveliso lixhomekeke kwisizingatha esifumanekileyo
semveliso yekota ezine eziidlulileyo ephela ngo Juni kulo nyaka. Ukunyuka kwezinga
lemveliso liyi R69, 2 million kwimigodi ye Freegold, R5, 7 million e Vaal Reefs, R21, 4
million e Western Deep Levels iye ibeyi R10, 9 million e Elandsrand. Ekwenyukeni
komgangatho we mveliso, amashumi amabini (20%) epesenti asechaziwe emveliso
azokwenziwa afumanekileyo kuzokwabelana abasebenzi, ukuyo kuma ngobukhulu
bungamapesenti ayt 25 omvuzo ofumanekayo. Ngokwesivumelwano imveliso echazi-
weyo kwimigodi yegolide, udibani nemveliso ye uranium aphi ebonakala khona,
ukwehla kwendleko zokusebenza kwimigodi yegolide, kukwehla kwenzala ebbatal-
wayo, ukwehla kwemali ehlawulwa yimayini, kukwehla kwezicwangciso zokusetyen-
ziswa kwi mali. Njenge mveliso ixhomekeke ekupapashweni kweziphumo, ekubal-
weni nasentlawulen, kwsamba semali izokuba isezipazameni ngekota, intlawulo
yokuqala yekota ka July - September izokwenziwa ngethuba lika October

Isivumelwano sifikelele nasekuhloreni ukudibenevo kohlelo ngabaphathi kunya
nemibutho yabasebenzi ngokulandelana.

INDATYANA

ABASEBENZI MGODINI KWI-MAYINI
YEGLIDE I PRIMROSE BEBE
NGENELE UGWAYIMBO

Abasebenzi mgodini kumgodi
wegolide e Primrose kufutshane ne
Germiston bebe ngenele ugwayimbo
bebanga isivumelwano se NUM kunya
nokubuyiselwa emsebenzini komsebenzi
owayegxothwe ngendlela engafanelekana
ga ngabaphathi bomgodi. Ngomhla we 13
- 16 ku October 1992, abasebenzi mgodini
e Primrose hangena kuhqhanqalo bet-
shutshisa abaphathi ukuba bavume
imibango yabo. Intlanganiso yahanjwa
nenkampani ngenjongo yokusombulula
intsonda badala Umbutho kunya nenkam-
pani bavumelana ngale miba llandelayo

* Isivumelwano sexeshana sokungena
emacekeni enkampani makuthethatheth-
wane ngaso yimbutho yombini phakathi
ku November no Desember 1992.

* Asikho tsinyathelo soluleko esti-
zokuthatho kubasebenzi ababathethi im-
axheba kugwamimbo ngomhla we 13 - 16
October 1992.

* Inkampani imbuvisole emsebenzini u
comrade Alfred Mgajima ukusukela
ngomhla we 20 October 1992.

* Ikomiti elihlangeneyo Iwemashati
steward kunya nobaphathi lisekiwe ukaze
lihlengahengtse iai Stop Order.

* Umvuzo unyuke nge RI istift kubo
bonke abasebenzi ukusukela ngomhla we
1 October 1992.
