

AFFIDAVIT

I the undersigned, SANDI JOHNSON YOSE, I.D. 2397285, age 61, hereby make oath and state that:

1

I have been a resident of Klipfontein since 1975.

2

I am married and have 8 children , 3 of whom are minors and live with me.

3

I am presently employed with the Divisional Council of Port Alfred and have been so employed since the mid 1950's .

4

For the past 3 months I have been a patient at SAHTA in Port Alfred.

5

On Wednesday, 4.4.79 my wife telephoned me and informed me that the ECAB officials were moving people to Glenmore.

6

I then immediately returned to Klipfontein.

7

My wife informed me that officials of the ECAB had come to see her but that she had told them that they would have to see me.

8

On Friday, 5.4.79 Sergeant Kani came to see me and enquired from me whether I would be leaving as all the other people would be leaving.

9

I informed Sergeant Kani that I would not be leaving whereupon he then left.

10

On Monday 9.4.79 the ECAB officials came to see me but enquired when I would be leaving.

11

Shortly thereafter the government trucks came to my home but I told them that I would not be leaving.

12

12

On 10.4.79 a white official of the ECAB came to see me and told me that I would have to leave as our lawyers had lost the case.

13

He further told me that I was the person responsible for causing all the trouble in Klipfontein and that I would be put anywhere they desired.

14

I then told the official that I had my attorney's permission to remain on the farm and that I would not be leaving to Glenmore.

15

The official then asked me how much we had paid our attorneys.

16

I feplied saying that they could find this out from the attorney's themselves. The official further told me that we are wasting our money as our lawyers had lost the case.

17

Later in the day, Sergeant Kani approached ~~me~~ me and asked me whether I could see what was happening around me.

18

I told the Sergeant that I was not worried what was happening around me.

19

I have no desire to go to Glenmore.
