Comrade,

On behalf of the National Executive Committee I wish to invite you to the Second National Congress, as observers.

Our Congress shall commence on the 14th to the 17th of December and the venue shall be at the St. Peter's Conference Centre in HALLMANSKRAAL, near Pretoria. The theme shall be "SEIZE THE TIME". THIS invitation is also extended to the Youth League.

We are inviting you to send a representative each from both the Organisations. Costs for boarding and lodging shall be R2-00 per delegate per day. The total shall be R2-00 inclusive. I would advise you herein that it would be more convenient for your representatives to arrive on the 14th. Should your people be in a position to attend, we would appreciate it if they could bring this letter along and a covering letter from your office to serve as an invitation and to vouch for their credentials. Also you would do us a favour by informing us who your representatives will be. This is one of the precautions we have to take.

We wrote on the 5th of November, to Chief Clemens Kapuno inviting him to be a guest speaker. It only appeared to us through the white press that he had left for the United Nations. We were wondering if His Excellency could be in a position to do his arrival. Please treat this matter as very URGENT.

If there is any matter you would like to be clarified upon, do contact us telephonically at this number 724-0346 Ext. 25/46 and leave the message there. Please find enclosed a copy of our constitution and minutes of our First National Congress. Looking forward to seeing your delegates at our Congress.
