

NOW IS THE TIME! KE NAKO! SEKUNJALO!

A message from Nelson Mandela,
President of the African National Congress,
to all the people of South Africa.

Dear Friend

The hour of freedom has arrived!

The negotiations, initiated by the ANC, will result in the holding of elections for a **Constituent Assembly**. Soon all South Africans of 18 years and over will be called upon to vote for an organisation of their **own choice**.

Now is the time to make your voice heard!
Vote for a better future!

Now is the time to make a decisive break from apartheid. To move from violence to a **secure and safe** South Africa. To move from unemployment, inflation and poverty to **jobs and prosperity**.

Now is the time to end racial inequality and unite Blacks and Whites to work for one country!

Let us make the elections a celebration of our freedom. Let us make the elections a display of our single nationhood, where all people are treated as equals.

Your vote will make a difference. Use it.

Nelson R Mandela
