**THE HISTORY OF THE A. N. C.
FROM 1912 TO PRESENT DAY**

A unique social documentary which recounts the history of the A.N.C. from the turn of the century to present day. Rare archive footage, gathered from all over the world, is interspersed with documentary footage of South Africa today.

The documentary includes comments by Walter Sisulu and Ahmed Kathrada at the historic A.N.C. meeting shortly after their release from Robben Island.
