MESSAGE OF SYMPATHY AND SOLIDARITY TO THE FAMILIES OF MATTHEW GONIWE, FORT CALATA, SPARROW MKHONTO, SICELO MHLAWULI, AND TO THE ORGANIZATIONS OF WHICH THEY WERE ACTIVE MEMBERS.

The oppressed of South Africa are in no doubt as to who murdered our fallen comrades. The forces of fascism in this country, with their death squads and departments of terror are terrorizing and murdering the oppressed and their leadership. They are using the same brutal and barbaric methods which the death squads have used and are still using in Argentina, Chile and El Salvador. We condemn in the strongest possible terms these brutal murders. We demand that their murderers be brought to justice for their vicious crimes.

The New Unity Movement salutes our fallen comrades. We extend our deepest sympathies to their families. To the organizations of the oppressed and exploited we say: let us close our ranks and let us say with one voice to our common enemy, "South Africa shall be free!"

The example of the four comrades, their work in the classrooms, in CRADORA and CRADOYA and in the greater Eastern Cape, will continue to inspire hundreds of thousands across the country. We will be paying the greatest tribute we can if we pledge to rededicate ourselves, to redouble our commitment to the struggle for total liberation of our country.

A PEOPLE UNITED CAN NEVER BE DEFEATED
